

Have you or your loved ones had your vaccine?

Please give thanks with a donation to help protect our global neighbours while the vaccine is out of reach at:

christianaid.org.uk/give/ways-donate/give-thanks-your-coronavirus-vaccine

Your gift of thanksgiving could provide a family with hygiene kits and safe water – and save lives.

Vaccines for the most vulnerable people

We are working with like-minded groups to advocate on the importance of ensuring that vaccines are made available to vulnerable people in poor countries and not monopolised by the global North.

And when vaccination campaigns begin, **Christian Aid** will support them by:

- equipping local health services with data on hard-to-reach communities
- mobilising communities to come forward for vaccinations
- working with faith and community leaders to share positive messages about vaccines.

Thank You!
